Good Taste in SUITS

The first thing apt to strike one looking over the Hunt collection of Suits is the excellent taste it embodies. Of course there is the widest sweep in colors, trimmings, fabrics and designs. You'll find Quaker simplicity and Directoire elaboration, but each suit stylish, in good taste, far distant in every sense from exaggeration. At every price a broad selection. Careful fittings a special feature of the department.

Bargains in Dress Skirts

We've gathered up about a dozen left over from certain lots. Chances are you'll like these, at the price, better than recent arrivals that cost so much more. IN BLACK SKIRTS there are four chevrons, one panama, one serge reduced from \$7½ to \$3.48

IN COLORED SKIRTS there are two brown voiles, silk trimmed, reduced from \$7 to \$3.98 and two gray cloth reduced from \$5 to \$2½.

Special values in Women's gray Suiting Skirts at \$2.98 and Misses' at \$3.98.

New Belt Pins

You must SEE them. They depart so completely from past designs we cannot hope to convey a correct picture in type. Art designs in dull gold, lightened here and there by burnished points on which gleam jade sets in ravishing shades of coral, turquoise and green. "Arts and Crafts" designs in copper colors toning into greens of many shades. Pearl pins of translucent beauty, handsomely carved.

For all this loveliness you anticipate at least a dollar mark—yet 25c or 50c will make you a proud and happy owner.

How to Cure Your Piles

Due Often To Carelessness or Neglect and Stubborn to Cure

"The knife is not always necessary to cure even desperate cases of piles," says a physician whose years and experience make him an authority. "Indeed," he says further: "I have known some very aggravated cases of long standing cured by a simple home remedy that restored to the bowels easy natural daily movements."

And the doctor is right, as many letters from cured people in various parts of the country prove. If sufferers from piles, rectal tumors and ulcers would try Dr. Caldwell's Syrup Pepsin they would often save themselves the terrible pain and danger and the heavy expense of a severe surgical operation.

Piles are often due to constipation and are always aggravated by it. Easy natural movements of the bowels such as are invariably produced by this famous laxative without pain or gripe do much to restore a normal healthy condition to the bowels and thus cure piles.

M. H. Miller, Moweaqua, Ill., says: "I have been troubled all my life with piles brought on by constipation. I tried many doctors and numerous remedies, but found no relief until I used Dr. Caldwell's Syrup Pepsin. I have used it as a laxative and stomach remedy for the past nine years and have no more troubles with piles." H. N. John, Minneapolis, Kan., says he suffered for four years with piles which were so bad that he could not work. Four bottles of Dr. Caldwell's Syrup Pepsin cured him, and he says he has not been bothered since.

Dr. Caldwell's Syrup Pepsin is a safe sure remedy for constipation, restoring easy natural daily movements in the worst old chronic cases, yet so mild and pleasant to take mothers give it to their babies with splendid results. It is sold by all druggists at 50c and \$1.00 per bottle. Pepsin Syrup Co., 302 Caldwell Bldg., Monticello, Ill., will send a free sample to anyone who has not used it and will give it a fair trial.

BEAUTIFUL WOMEN

Use and Recommend

NEWBRO'S HERPICIDE

MISS MILDRED HOLLAND,
the Charming and deservedly Popular Theatrical
Star, writes as follows:

"I am delighted with Newbro's Herpicide. It is just what I have been looking for. I find that it not only prevents dandruff, but that it stops the hair from falling out. It is a most delightful hair dressing, and no lady's toilet table is complete without it."
(Signed) MILDRED HOLLAND.

A woman to be pretty must have pretty hair. There is a subtle charm about beautiful hair that lends more to personal adornment than all of the skill of all of the "beauty doctors" combined. The hair need not be of extraordinary or abnormal length, but it must have that distinctiveness of appearance that comes from intelligent care and is the result of perfect hair health.

The most cultured ladies in every community use Newbro's Herpicide; and when you see a head of hair that glistens with beauty and is radiant with life, it is a fairly good indication that Newbro's Herpicide has been used.

A common cause of dullness of the hair is the presence of fine dust and soot in the streets that is kept in constant motion by trolley cars, automobiles, etc. This fine dust—frequently laden with disease germs—adheres to the hair and dulls its natural luster.

A delightful way to cleanse and beautify the hair is to moisten a cloth with Newbro's Herpicide and draw it carefully through the hair, taking one small strand at a time. It may be done daily, or less often, as desired.

The result of this cleansing process will prove a surprise, not only in the amount of dirt removed, but in the added beauty of the hair and the sense of cleanliness and comfort that follows. Shampooing will also remove this dust, but too frequent washing of the hair is harmful.

Newbro's Herpicide is the Original remedy that "kills the dandruff germ." It eradicates dandruff and stops falling hair. It is the only real scalp prophylactic in existence. A delightful and refreshing hair dressing. Stops itching of the scalp almost instantly.

Guaranteed under the Food and Drug Act June 30th, 1906. Serial No. 915.

Two Sizes, 50c and \$1, at DRUGSTORES.

NATURE AND A WOMAN'S WORK

LYDIA E. PINKHAM

Nature and a woman's work combined have produced the grandest remedy for woman's ills that the world has ever known.

In the good old-fashioned days of our grandmothers they relied upon the roots and herbs of the field to cure disease and mitigate suffering.

The Indians on our Western Plains to-day can produce roots and herbs for every ailment, and cure diseases that baffle the most skilled physicians who have spent years in the study of drugs.

From the roots and herbs of the field Lydia E. Pinkham more than thirty years ago gave to the women of the world a remedy for their peculiar ills, more potent and efficacious than any combination of drugs.

Lydia E. Pinkham's Vegetable Compound is now recognized as the standard remedy for woman's ills.

Mrs. Bertha Muff, of 515 N.C. St., Louisiana, Mo., writes:

"Complete restoration to health means so much to me that for the sake of other suffering women I am willing to make my troubles public."

"For twelve years I had been suffering with the worst forms of female ills. During that time I had eleven different physicians without help. No tongue can tell what I suffered, and at times I could hardly walk. About two years ago I wrote Mrs. Pinkham for advice. I followed it, and can truly say that Lydia E. Pinkham's Vegetable Compound and Mrs. Pinkham's advice restored health and strength. It is worth mountains of gold to suffering women."

What Lydia E. Pinkham's Vegetable Compound did for Mrs. Muff, it will do for other suffering women.

Maysville People Have Absolute Proof of Deeds at Home.

It's not words but deeds that prove true merit.

The deeds of Doan's Kidney Pills For Maysville kidney sufferers

Have made their local reputation. Proof lies in the testimony of Maysville people who have been cured to stay cured.

William H. Paul, 333 East Third street Maysville, Ky., says:

"My opinion of Doan's Kidney Pills has not changed since I first recommended them several years ago, and the statement I gave in their favor at that time still holds good. Before I learned of their merit I was bothered considerably by pains in my back and other symptoms of disordered kidneys. After doctoring unsuccessfully I was induced to give Doan's Kidney Pills a trial, procuring them at J. Jas. Wood & Son's Drugstore. They promptly and effectively cured me, and I did not have a return of the difficulty until a short time ago. At that time I again resorted to Doan's Kidney Pills, and, as in the first case, they thoroughly removed every sign of the trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Nanz Family of This City Come Into Possession of a Legacy Bequeathed Them By a Relative in Germany

Attorney James M. Collins left this morning for Cincinnati where he will receive from the German Consul in that city the sum of 7,500 marks to be distributed among the Nanz family of West Third street.

Those who will participate in the distribution are Mrs. Lizzie Nanz, William Nanz, Lucy May Nanz Wilson and Rosa Nanz.

After several attempts to settle the estate by other Attorneys, the matter was placed in the hands of Mr. Collins and in less than six months he has succeeded in establishing the Nanz family as the rightful claimants to the satisfaction of the German Government and the money is now in Cincinnati ready to be paid over to him when the legal formalities required by the German Government have been properly complied with.

Liver Pills

Ask your doctor if he knows a better pill for a sluggish liver than Ayer's Pills. Then follow his advice.

It is impossible, simply impossible, for any one to enjoy the best of health if the bowels are constipated. Undigested material, waste products, poisonous substances, must be daily removed from the body or there will be trouble, and often serious trouble, too. Ayer's Pills aid nature, that is all. J. C. FOR MEN WHO CARE TO DRESS WELL

THE Barry Shoe

Of course, Father Time is a little bit too much for any shoe, no matter how well it is made or how worthy the materials may be, but he has a harder task when he tackles a pair of Barry Shoes, Union Made, than he does in disposing of any other shoe we know of. That means that Barry Shoes will wear longer and hold their shape better than any other shoe you ever wore. They are full of Style, as well—handsome, snappy, up-to-date shoes. We recommend them strongly to the "men who care to dress well," and who seek comfort as well as style, and who want the best shoes their money can buy—there are reasons why you personally should wear Barry Shoes—come in and try on the shoes, and some of these reasons will be clear to you—buy and wear them and you will never wear any other kind.

TABLEAUX VIVANT

Beautiful and Artistic Portrayal of the Gibson Drawings—Successful Exhibition Before a Good Audience

A perpetual feast of nectar'd sweets. Where no crude surfeit reigns.

No merrier audience ever assembled in Washington Opera-house than gathered there last evening when a representative Maysville audience, critical as well as tolerant, collected in our beautiful Thespian Temple to witness the presentation by home talent of a series of Gibson pictures and other tableaux.

The program was well carried out and the rendition, the posings and stage settings were fully up to expectations. Schmittie's Band, with harp, cello and violin, furnished the music, which was one of the delightful features of the occasion.

There were 26 tableaux artistically and aesthetically presented and it would be an impossible task in the limited space at our disposal to endeavor to criticize or even properly mention the beautiful scenes, seriatim. Therefore we will acquit ourselves by declaring that the ladies and gentlemen every one acted well their parts.

The tableaux "Struck Out" were excruciatingly funny and life-like, while the sixteenth tableau "Big Game," which represented "Cupid Shooting at a Beautiful Virgin," was one of the most effective pictures which it has been our pleasure to witness.

All in all, "The Gibson Pictures" were a delightful event and a success, and much credit is due the promoters who have realized the handsome sum of \$174.90 as a fund for Hayswood Hospital.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
